

SELENIA K POWER 5W-20 Cod. 1392

DESCRIPTION

Selenia K Power 5W-20 is a fully synthetic lubricant developed for American design petrol engines, specially formulated to allow excellent resistance to oxidation. Its particular viscosity grade further improves its fuel economy characteristics. Specifically designed for engines with Multi-Displacement System (MDS).

CHARACTERISTICS

- | Wear protection
- | Oxidation control
- | Engine cleanliness
- | Excellent fuel economy
- | Exceeds API SN classification
- | Exceeds the requirements of ILSAC GF-5
- | Exceeds the Chrysler MS 6395 Specification

ADVICE ON USE

As per OEM owner manual

RECOMMENDED BY

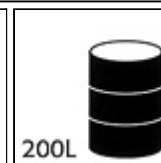

Fiat Group - Chrysler Group
